Telephone (415) 771-7020

Session June 2 June 27

Special Offerings

Stained Glass: students will design and construct 2 or more stained glass windows. A review of stained glass from the Middle Ages to contemporary work will be shown. More detailed information available.

Graduate Seminars: students must enroll for all sessions during the first registration period. Students must be previously accepted in the program. 3 courses credit. Painting/Sculpture - Howard Smagula; Printmaking - Richard Graf; Filmmaking - Ben Van Meter.

Photography Lecture Series: each Tuesday evening, 7:30 pm in the Auditorium, Admission free.

Community Involvement: students must enroll for all sessions during the first registration period. Students will be responsible for 5 days per week of field work plus organization and planning time as needed. They will be regarded as professional workers. Field work, 3 courses credit; seminar, 1 course credit.

A

Session June 30 July 25

Special Offerings

Stained Glass: beginning students will continue work on individual projects; advanced students will experiment with etching, sandblasting, and slumping glass. Selected students will work on a large public commission.

R

Session July 28 August 22

Special Offerings

Stained Glass: a series of lectures will be given by prominent stained glass window artists, with discussions on the meaning and function of stained glass today.

Feminist Art Program: an intensive month long program open to all women 18 years of age or older. Provides an opportunity to learn and share, to connect personal and common experiences as women, as people; to express thoughts, feelings, insights in creative work. Limited to 30 students, the group will meet 5 days, 3 evenings per week with optional weekend work. 3 courses credit offered, tuition is \$830. Discussions, group and individual projects, lectures and daily small group consciousness raising sessions with focus on the investigation of a broad theme such as Self-Images, Self and Society, Being Independent as Woman and as Artist. This material will provide content for performances, individual efforts and group visual statements culminating in a large environmental exhibit. A lecture series, open to the public, will accompany the program.
